### **Policy on Responsible Jewellery Council**

Arjiv Exports is a trading company for the Import and Export of Rough and Polished Diamonds. We are RJC Member in Diamond trader, cutter, and polisher category. Arjiv Exports is a member of the Responsible Jewellery Council (RJC). We have a office in Bandra Kurla Complex in Mumbai and Cutting and Polishing factory in Surat.

The RJC is a standards-setting organization established to advance responsible ethical, human rights, social and environmental practices throughout the gold, silver, platinum group metals, diamond and coloured gemstone jewellery supply chain. The RJC has developed a benchmark standard for the jewellery supply chain and credible mechanisms for verifying responsible business practices through third-party auditing.

As an RJC member, we commit to operating our business in accordance with the RJC Code of Practices. We commit to integrating ethical, human rights, social and environmental considerations into our day-to-day operations, business planning activities and decision-making processes.

### **Policy on Corporate social Responsibility**

While we run our business based on the expectations of our diverse stakeholders, we also understand the importance of contributing to making the world a better place. At Companies, we strongly believe in the concept wherein the company contributes to building economic, social and environmental imperatives.

Corporate Social Responsibility (CSR) aims to contribute to societal goals of a philanthropic, activist or charitable nature or by engaging in or support volunteering or ethically oriented practices.

Our CSR Policy aims to the betterment of a sustainable society and this commitment is ingrained in our core values. We aim to demonstrate these through our actions governed by the CSR policy. This policy applies to our Company and its all activities and may also refer to our suppliers and partners.

### **Policy on Environment/Social and Governance**

#### **Business Ethics and Transparency**

- We will conduct our operations in an open, honest and ethical manner.
- We will ensure that all our operations are legitimate.
- We undertake to keep every partnership and collaboration open and transparent.

Date: 01/04/2024  
Place: India

<b>Policy Document</b>	<b>Policies</b>	<b>Rev. No. 02</b>
		<b>Date: 01-04-2024</b>
<b>Doc. No. AE-001</b>		

- We recognize the importance of protecting all our human, financial, physical, informational, social, environmental and reputational assets
- We will advise our partners, contractors and suppliers of our CSR Policy and will work with them to achieve consistency with the policy

### **Environment Health And Safety**

We are committed to provide a safe and healthy work environment and will not compromise the safety of any individual.

We recognize that environmental pollution prevention, biodiversity and resource conservation are key to a sustainable environment and will integrate the same into our business practices.

All employees and contractors are responsible and accountable for contributing to a safe working environment, for fostering safe working attitudes and for operating in an environmentally responsible manner.

### **Governance**

Companies will undertake its CSR activities as approved by the CSR Committee, through a registered trust or society. The Company will assist the CSR Committee to identify the areas of CSR activities, programs and execution of initiatives as per the guidelines defined. The surplus funds if any arising out of the CSR activities will not form part of the business profit of the Company. At Companies, we take Ethical business practice, social and environmental factors into consideration in making decisions on the procurement of Jewellery or polish diamonds.

This Policy shows company's commitment and its expectations for its product suppliers regarding actions to address Conflict Diamonds.

Companies expects it's suppliers to have in place policies and due diligence measures that will enable us to reasonably assure that diamonds supplied to us containing conflict free diamonds are not belongs to Conflict-affected and high-risk areas – CAHRAs .

We being a responsible company, Companies supports the goal of the Dodd-Frank Act of preventing armed groups in the conflict affected and high risk countries from benefitting from the sourcing of Conflict diamonds from that region.

Companies are committed to working with its suppliers to educate them on these matters and concerning steps they can take to obtain increased transparency regarding the origin of diamonds mined or manufacture and sell

to Companies. Companies reserves the right to evaluate the extent to which a supplier has failed to reasonably comply with this Policy.

Companies reserves the right to request additional documentation from its suppliers regarding the origin/source of diamonds sold to Companies.

Suppliers who do not reasonably comply with this Policy shall be reviewed by Companies 's for future business.

Companies are committed to ensuring that our supply chain is free of any diamonds which was procured for the support or benefit of armed and anti-social conflict groups or involving serious abuses of human rights and non-compliant with OECD Guidelines.

Companies clearly criticizes such activity and will reject any material which we believe was obtained involving serious human rights violations or which benefitted or supported armed rebels or terrorist groups through illegal finance or other activities.

The company shall carry out risk assessment for its supply chain and shall not enter into any business relationship or if may require then shall suspend/discontinue the engagement with any such supplier involved in dealing with Conflict-Affected and High-Risk areas, Any form of Human Right Violation; Torture, Cruel, In-Human and Degrading Treatment; Forced/Compulsory Labour; Child Labour; Abuses such as widespread Sexual Violence; War Crimes; other serious violations of International Humanitarian Law, Crime against Humanity; Genocide and/or To Bribe or To be Bribed. We strictly condemn and prohibit any Direct/Indirect support to public/private security forces which illegally Control, Tax or Extort money from Mining Sites, Transportation Routes and Upstream Sectors.

The Company shall carry out due diligence to assess risks related to procurement from the Conflict-affected and high-risk areas – CAHRAs and shall always source from compliant miners/traders.

We are being member of RJC strictly adhere to the requirements and therefore we request all our suppliers to disclose first mine of rough diamonds and sourcing as a part of compliance requirements. Please refer to the RJC Guidelines for more information or else contact us. Any material supplied to us should not be subject to restriction of Reg. EU 833/2014.

We shall always set reasonable efforts to source Diamonds from miners and traders validated as being Conflict Free and require their direct and indirect suppliers to do the same;

We strive to work supportively with our customers and supply chain partners in implementing conflict free compliance programs for Diamond Supply chain.

#### Policy – Due Diligence and Risk Assessment

The company shall always undertake to ensure that the extraction and trade of diamond support peace and development, not conflict.

Companies remain committed to enhance its Supply Chain Due Diligence program through internal review and external assessments. We have zero tolerance policy for the supplier violating OECD due diligence guideline and we shall immediately stop commercial relationship if any of our business associates found non-compliant or High-Risk during our internal/external risk assessment.

All the suppliers are also requested to carry our risk assessment and due diligence for their suppliers and products they are sourcing.

Currently Companies procure it's diamonds from RJC CoP/Ethical business practice compliant miners/traders. However, we have established a strong due diligence process and we shall review it as an when we observed significant risk or upon receipt of any grievance or complaint but in normal course, we shall carry our due diligence process on annual basis.

#### Identify red-flags and Risk

The company has checked transaction methods and name and individuals of company on SDN list of USA treasury and EU sanction list. All the suppliers are found low in risk and in compliance with OECD requirement of CAHRA's.

#### Risk mitigation plan

- ✓ Company shall always deal with legitimate company.
- ✓ Always complete due diligence and risk assessment before establishing commercial relationships.
- ✓ Make sure that do transaction shall be carried out with business sense.
- ✓ Immediately stop commercial relationship upon any violation observed an report to concerned internal and external reporting authority.
- ✓ Continuously monitor suspicious transactions and red flag records
- ✓ Communication and awareness to suppliers
